

New Member Testimony

Membership and Your Testimony

Your decision to become a part of the Hebron Family is an important one. You are joining a spiritual family. Our church is large enough for you to feel like no one notices you are here but going unnoticed should never be the goal. In order to help everyone, get to know you, we ask that you take time to prepare your personal testimony to share with the congregation through a video we will make. We will share your testimony video during our Membership Moment which is near the end of service.

During the video recording we ask that you include a few details: 1) Briefly tell us your life's story, 2) Tell us about your salvation experience and faith in Christ, 3) Tell us about your baptism, 4) Tell us why you want to join Hebron Baptist Church, and 5) Tell us how you believe God can help you serve the congregation. The goal of this time is to let your new church family become familiar with who you are, how God saved you and what He's done in your life.
